

Gas Work Authorisation

Industrial Appliances

COMPANY NAME

Authorisation Number: A1444

is hereby authorised to undertake the following gas work:

Natural Gas, LPG and biogas work on Type B gas devices up to a capacity of 50 GJ/hour.

It is a condition of this authorisation that all staff performing Type B gas work have the necessary competencies at all times to complete the scope of work they are undertaking under this authorisation.

It is also a condition of this authorisation that all electrical work on Type B gas devices must be undertaken by an authorised person with the relevant electrical or restricted electrical licence.

Note: Gas Work is the work of installing, removing, altering, repairing, servicing, testing or certifying the gas system of a gas device.

This authorisation is made pursuant to Section 728 of the *Petroleum and Gas (Production and Safety) Act 2004* and expires on **23 December 2022**.

23 December 2016

Deputy Chief Inspector, Petroleum and Gas
