You're Invited to the Workforce Mobile App by Avetta

Hello Sterling Archer,

Congratulations! This is your invitation to join the Workforce by Avetta mobile app. By joining this app, you will be able to view and manage your Avetta profile, manage your Digital Worker ID cards, use Bluetooth tap-to-access functionality to access participating sites, and more.

Download the App for iOS or Android using the links below

Download on the App Store

Download on Google Play

Once you've installed the app, use your email address to get started:

Webinartesting@email.com

Visit the Avetta Help Center if you require assistance, or contact our friendly team directly:

Enter Email or Mobile

Please enter the email address or mobile number for your Avetta Account. This is the email address or mobile number that your invitation was sent to.

QR Code

Hold the QR Code beneath a Scanner

You may find a QR Code Scanner at an Avetta Kiosk. A Site Supervisor may also request to scan your QR Code.
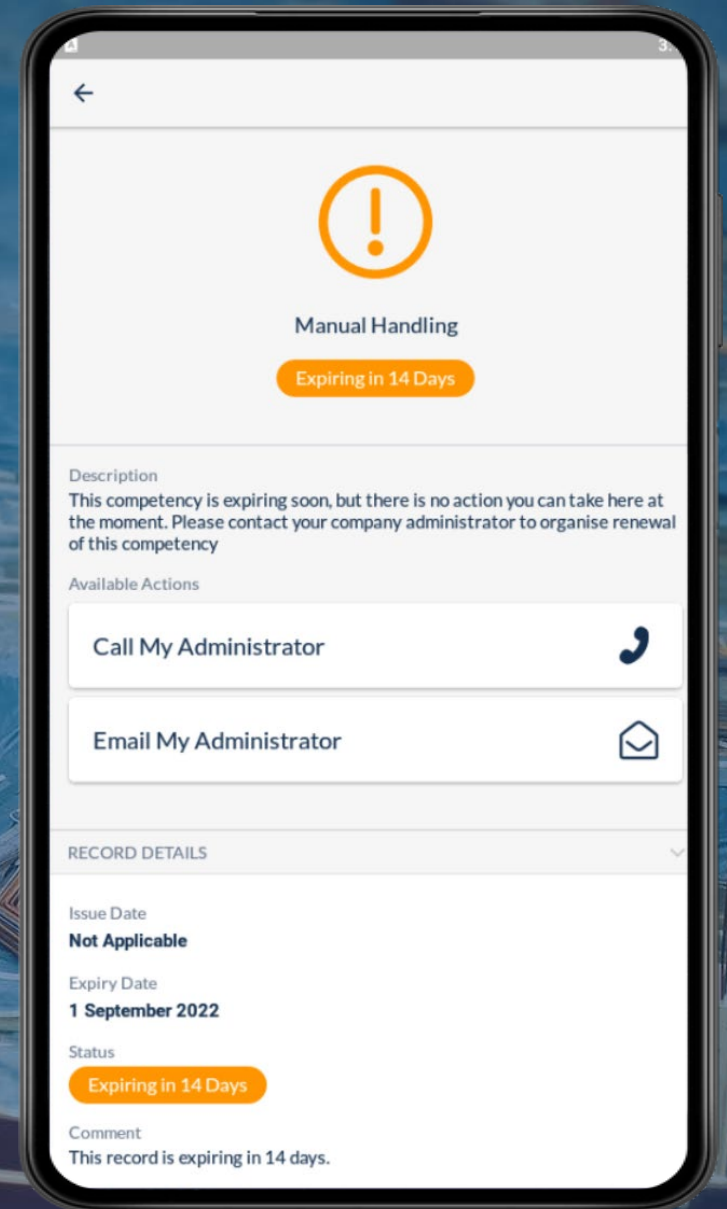

Close

Create your Password for the App and it will be stored for future access

View your profile and access your QR Code from the home page

QR code is used for site access verification and compliance

**Click on a Client branded profile to see your status with them**

Easily see Role status and requirements for that Client

Take charge of your compliance with live status of items

Linked directly to your worker profile, the Workforce by Avetta mobile app displays your ID cards, roles, and competencies for every client you work for all in an easy-to-use mobile app.

Using QR code codes or Bluetooth-enabled Tap to Access (for participating clients), your compliance profile is validated and you can be onsite in seconds.

No more time wasted waiting to be allowed on site. With clear access to individual site requirements, you'll eliminate surprise at the gate
