WHC-FRM-AUTHORITY TO UNDERTAKE INDUCTION – FORM 3

Contractor Company Checklist:	<input checked="" type="checkbox"/>
Complete this form and provide copies of all documents identified in this form.	
Provide a letter of competency, on the Contractor Company's letterhead, stating the workers name, work experience (including years worked) and confirmation that the person is competent to conduct the proposed work.	
Provide a list of current competencies, including any evidence for recognition of prior learning (RPL).	
Provide an electronic photograph that meets similar requirements to a passport photograph.	
Provide a current medical that meets Order 43 and WHC requirements. Must be current within 12 months for Surface Operations and 3 months for Underground Operations.	
Provide a current Chest X-ray report read to ILO standards.	
Provide a WHC-FRM-Journey Management Plan (if required).	
Email the completed form with all supporting documents to the WHC Contract Owner or Coordinator for review and approve prior to booking induction and uploading of documents.	
Upload the completed form, identified documentation, letter of competency, resume, competencies, photograph, and medical information into the contractor portal to book induction.	
WHC Contract Owner or Coordinator Checklist:	<input checked="" type="checkbox"/>
Review the form, identified documentation, letter of competency, resume, competencies and photograph.	
If all information is adequate, gain additional site approvals on this form for the Contractor to attend induction. Send a copy of this completed form to the Contractor Company to book an induction.	
If any information is inadequate, decline approval for the Contractor to attend induction by way of a return email, stating the reasons.	

Notes:

- WHC authorisation(s) will be as per the approval section of this form.
- The Site Safety & Training Department or Contract Coordinator is to be contacted for further site specific training requirements.
- Additional forms are available at: <https://secure.onsitetrackeasy.com.au/portal/whitehavenCoal>
