

# Logbook Approval Form

## For Plant Operators

This Logbook approval is to verify the operators who have completed training for specific plant but have been given a logbook from the RTO to complete on job training before being issued their statement of attainment.

This form can only be completed and approved by a member of the WCX3a Training Team.

### Section A – Operator Details

|                                      |                       |            |                    |
|--------------------------------------|-----------------------|------------|--------------------|
| Project Site (circle relevant site): | St Peters Interchange | Haberfield | Pymont Bridge Road |
| Name:                                |                       |            |                    |
