

This card is evidence of a security clearance and is not an authority. A security clearance does not authorise the holder to import, export, possess, manufacture, sell, store, transport, use or otherwise handle explosives.

The holder must notify the Chief Inspector of Explosives should there be any change of name, address details or circumstances under which this security clearance was issued. (e.g. change in the holder's criminal history or domestic violence history).

The holder of a suspended security clearance or the former holder of a cancelled security clearance, must return this card to the Chief Inspector of Explosives within 14 days after the suspension or cancellation takes effect.

**This card remains the property of the  
Explosives Inspectorate, Resources Safety and Health Queensland**
